NATIONAL TRAINING CAMP HUGE SUCCESS!

The first annual USADSS National Training Camp was held at the Rosen Aquatic Center in Orlando Florida. Forty athletes from across the country participated in 3 days of intense instruction and fun. The Artistic Swimming Team performed both team and individual events, and then competitive swimmers jumped in the pool to have some fun trying out all of their moves. At the end of camp, the artistic swimmers joined the Rosen Center Artistic Team for some extra training; while the rest competed at the Journeys Classic SCM Meet.
